26th Annual Basehor Car Show

17 March 2024

Hello everyone! Its spring, and that means car shows! I write to you on behalf of the Basehor-Linwood Education Foundation and the Basehor VFW Post #11499. We have many volunteers working hard for our show, and we hope to have a record attendance this year! (300 cars registered seems to be our average, and we would like many more) This year is our 26th Annual Basehor Car Show, and the show will be held Saturday September 14, 2021.

All funds raised during this event, be it through donations, entry fees, raffles, or concessions, will be used to support the local community, specifically, Basehor-Linwood School District and VFW Post #11499. Basehor-Linwood Education Foundation (BLEF), a 501 C-3 organization, annually provides multiple student scholarships and Teacher Incentive Grants, which greatly benefit our area students, teachers and schools. The VFW, (also 501c) as you are aware, supports our local Veterans and the community at large. (Each year, the VFW places National flags along 155th street, Basehor, KS, and conducts a Memorial Day service at the local cemetery, and other events.)

We would greatly appreciate any monetary donation, gift cards/certificates, silent auction items, or donation you would be willing to provide. We want to make the 2024 Basehor Car Show a success for our community, the BLEF and the VFW. All donors will have their name or business placed on trophies and the sponsor board, which is displayed during the show. Donors will also receive recognition throughout the show, as well as the remainder of the school year.

At the show, we like to provide gift bags to the first 250 entries, filled with coupons, flyers and various items from our donating sponsors and businesses. We also give out many car related door prizes and conduct a silent auction during the show.

I want to thank many of you for your donations in prior years, and if you can, please contribute this year. Please contact me at 208-406-9429 or basehorcarshow@gmail.com to make any necessary coordination. Thank you in advance for your help and generosity, and we look forward to working with you for the show!

Sincerely

Richard D Kiggins

DONATIONS:

- Door Prizes – Drawings are held throughout the day with each of the car show entries receiving a donated prize. Items can be as simple as caps & t-shirts, tools, gift certificates, etc., or as elaborate as ticket packages, lodging, or higher value merchandise. This is a great opportunity to donate obsolete and overstock items!
 - Grab Bags – Each of the 1st 200-250 vehicle entries receives a “grab bag”, a small token of appreciation for bringing their vehicles out to show. Any *literature, catalogs, food coupons, or other small items* promoting YOUR business are greatly appreciated. We ask that you submit 200-250 similar or identical items if possible. Smaller quantities are still gladly accepted, but, obviously, cannot reach ALL participants.
 - Silent Auction - An area will be set up to showcase items that will be bid on throughout the day and awarded to the highest bidder.
-

VENDORS: Booth space is available to market your product. All applications will be reviewed by the Car Show Committee to ensure no direct competition with items being sold by the Committee as well as to verify our ability to accommodate your needs. A **\$35 registration fee**, if no other sponsorship/donation is made, is non-refundable upon approval.

Please complete and return the enclosed Business Sponsorship/Donation/Vendor Form.
